2 **Waterloo Morada Rural County Fire Protection District** 3 4946 E. Eight Mile Road, Stockton, California 4 This agreement is by and between the County of San Joaquin, Community 5 Development Department (hereinafter referred to as the "County"), and the Waterloo 6 Morada Rural County Fire District as the owner of the Subject Parcel (hereinafter referred 7 to as the "Owner"). Collectively, the County and the Owner are the "Parties." 8 The Parties agree to the following Recitals: This Agreement is regarding 7.34 acres 9 of real property commonly known as 4946 E. Eight Mile Road, Stockton, California, APN 10 086-070-09 (the "Subject Parcel"). 11 On April 8, 2020, the Owner applied for Use Permit Application No. PA-2000066 12 (the "Use Permit") through Way Jane Wong, et al. to establish a new fire station, which 13 includes the use of 3 existing buildings: a building for training, a single family residence 14 for firefighter residence, and a building for apparatus storage. 15 On July 2, 2020, the County's Planning Commission approved the Use Permit 16 subject to Conditions of Approval. The Use Permit Approval requires the Owner to comply 17 with all of the Conditions of Approval prior to establishing the Public Services-Essential 18 Use or occupying the existing buildings pursuant to that Use. 19 The Owner has 18 months from the date of approval (January 11, 2022) to 20 complete the Conditions of Approval. However, on December 2, 2021, the Owner applied 21 for a one year Time Extension which is set to be heard by the Planning Commission on 22 March 3, 2022. If that Time Extension is granted, then the Owner will have until 23 January 11, 2023, to complete the Conditions of Approval. If the Conditions of Approval 24 are not met by the required date, the Use Permit approval will expire and the project 25 (including occupancy of the buildings for anything other than as a single family dwelling 26 and accessory buildings thereto) cannot proceed.

COMPLIANCE AGREEMENT

27

1	On July 13, 2020, the County's Code Enforcement Division staff did an inspection
2	of the Subject Parcel and found that the Owner was operating the fire station on the
3	Subject Parcel.
4	Accordingly, on July 15, 2020, staff open opened Enforcement Case EN-2000294
5	and issued a Notice of Violation and Order to Abate based on their inspection findings.
6	The Notice of Violations stated that the Owner had violated County Development Title 9-
7	1905.8 and California Building Code Chapter 1, Section 105.1 as adopted by the County
8	by taking the following actions on the Subject Parcel: Operating a fire station under the
9	Use Type Public Services-Essential without completing the Conditions of Approval to
10	establish the Use Permit and building without a permit by erecting a metal carport
11	and converting/using the single family dwelling to the firefighter residence. The Notice
12	of Violation also stated that the Owner must correct the cited violations within 30 days of
13	the date of the Notice.
14	On the same day Staff issued a Notice of Intent to Record a Notice of Code
15	Violation on the Subject Parcel pursuant to County Ordinance Code Section 8-7015 if the
16	cited violations were not abated within the allowed 30 days.
17	The Owner did not abate the cited violations within the allowed 30 days by vacating
18	the buildings or, alternatively, completing/meeting the Conditions of Approval.
19	Therefore, on August 21, 2020, County staff issued a Final Notice and Order to
20	Abate. That order stated that the outstanding violations must be corrected as soon as
21	possible, but no later than September 28, 2020.
22	The Owner again did not abate the cited violations within the time allowed.
23	The County wants the Owner to bring the Subject Parcel into compliance to ensure
24	that the fire station can operate safely and legally.
25	The Parties agree to the above stated facts and based on those facts now enter
26	into this Compliance Agreement.
27	The terms of this Compliance Agreement are as follows:

1 1. THE OWNER AGREES TO: 2 a. If the Planning Commission does not grant the Time Extension, cease 3 operation of the fire station. 4 b. If the Planning Commission does grant the Time Extension, move forward 5 toward the completion of the Use Permit Conditions of Approval by 6 January 11, 2023, as follows: 7 Complete all required building permit applications for use of the 8 buildings on the Subject Parcel pursuant to the Use Type Public 9 Services-Essential by May 18, 2022; 10 ii. Have all building permits issued within 3 months after the building 11 permit applications are deemed complete; and 12 iii. Promptly schedule required inspections and move forward in good 13 faith to final all issued building permits by no later than 14 November 15, 2022, unless the Parties agree in writing to extend 15 this date. 16 c. Respond to staff contacts and requests regarding the completion of the 17 Conditions of Approval, including contacts regarding the application. 18 issuance, and finaling of required building permits and this Agreement, in a 19 reasonable time. 20 d. Owner understands that the failure to respond to staff in a reasonable time 21 and/or to complete necessary actions by agreed upon deadlines will be 22 deemed a failure to move forward in good faith and a breach of this 23 Agreement. 24 e. Consent to inspections of the Subject Parcel by a County Code 25 Enforcement Officer during regular business hours within 24 hours of a request by County staff, understanding that the emergency nature of fire 26 27 station responses may effect scheduled inspections.

1		f. Operate the Subject Parcel in a safe manner such that operations do not
2		create an imminent threat to public health, safety, or welfare, including
3		firefighter safety.
4		g. Immediately cease operations on the Subject Parcel if the County or other
5		governmental agency with lawful authority finds that such operations create
6		an imminent threat to public health, safety, or welfare, including firefighter
7		safety.
8	2.	COUNTY AGREES TO: Stay further enforcement action under Enforcement Case
9		EN-2000294 for the cited violations during the Term of this Agreement so long as
10		the cited violations do not create an imminent threat to public health, safety, or
11		welfare, including firefighter safety.
12	3.	TERM OF AGREEMENT: This Agreement shall begin on the Effective Date and
13		remain in place and effect until the Owner has abated the cited violations on the
14		Subject Parcel or November 15, 2022, or to a date agreed to in writing by the
15		Parties, whichever occurs first, or upon the transfer of ownership of the Subject
16		Parcel to a non-Party.
17		a. The Term of this Agreement can be modified only in a writing signed by all
18		Parties.
19	4.	No Waiver: Nothing herein shall affect or be a waiver of the County's police powers
20		or the Owner's legal and allowed use of the Subject Parcel.
21	5.	Effective Date: The effective date of this Compliance Agreement shall be the date
22		the last Party signs this Agreement.
23	6.	Contact/Notification: The following people shall be the primary contact person for
24		their respective Parties:

The following project has been filed with this Department: APPLICATION NUMBER: PA-2100250 (SA)

PROPERTY OWNER: APPLICANT: Stockton Hindu Cultural & Community Center Jimmy Ratan Naidu

4809 Bridgewater Cir. 4715 Foppiano Ln. Stockton, CA 95219 Stockton, CA 95212

PROJECT DESCRIPTION: A Site Approval application to expand an existing religious assembly facility to include the construction of 5,085-square-foot, two-story building. The first floor will serve as a 3,300-square-foot dining room. The second floor will serve as a 1,785-square-foot meditation room. The facility was previously approved for 81 attendees, and no increase in attendees is proposed with this application. The project site is served by an on-site well for water, a septic system for sewage disposal, and an on-site storm pond for storm drainage. The project site has direct access from E. Foppiano Ln. The project site is not under a Williamson Act Contract. (Use Types: Religious Assembly-Neighborhood)

The Property is zoned R-R (Rural Residential) and the General Plan designation is R/R (Rural Residential).

PROJECT LOCATION: The project site is located on the north side of E. Foppiano Ln., 760 feet east of the N. State Route 99 E. Frontage Rd., Stockton. (APN/Address: 085-310-12 / 4715 E. Foppiano Ln., Stockton) (Supervisorial District: 4)

ENVIRONMENTAL DETERMINATION: This is a Notice of Intent to adopt a Mitigated Negative Declaration for this project as described. San Joaquin County has determined that through the Initial Study that contains proposed mitigation measures all potentially significant effects on the environment can be reduced to a less than significant level. The Mitigated Negative Declaration and Initial Study can be viewed on the Community Development Department website at www.sigov.org/commdev under Active Planning Applications.

APPLICATION REVIEW: Recommendations and/or comments on this project must be submitted to the Community Development Department no later than February 10, 2022. Recommendations and/or comments received after that date may not be considered in staff's analysis.
